Daniel Riber  
Technovate Translations

Dear Daniel:

On behalf of CKE Restaurants, Inc. I would like to let you know what a wonderful job Theresa Hu did for us at our recent meeting with a group from China. Theresa was professional, friendly, and took the time to learn about our needs prior to the meeting. We feel that having her interpret in Mandarin added a level of clarity to the discussions that might have been missed in an English only setting. I know it made the meeting much easier for our visitors as well as for myself.

Thank-you for your assistance in setting up this service. I will keep Technovate Translations in mind for future use should the need arise.

Sincerely,
